'Innovative Education – Transforming Lives'

11th February 2021

Letter from Mrs Nixon CEO:

Dear Pupils,

I am writing to you, to say a huge thank you for all the hard work that you have been putting into your learning over the last half term. You have been brilliant and I am really proud of the progress you have made and the high standards that you are all striving for.

I hope that you are all enjoying using the remote learning apps Seesaw and Tapestry? Your teachers are delighted with your work and they have shown me some of the beautiful pieces that you have been uploading. I am really impressed with how well you have adapted to this way of learning.

I hope you understand that our normal routines have had to change and I am sure that you will be missing your friends and teachers, but we must continue with this way of learning for a little while longer, until we are all allowed back into school. Your teachers will continue to upload your learning online for you to access and they will arrange online live lessons where you will have the opportunity to see your peers.

Please can I remind you all to take extra care, especially during the half term break, we need to limit the time that we are outside in the community, only going out for exercise such as a walk and always remembering to wash your hands regularly throughout the day, this will help us to protect our families and our community.

Finally, I want to wish you all a very happy, fun, safe half term break! Enjoy spending time with your families and I look forward to seeing you soon.

Take care

Mrs Nixon

Mrs B.A Nixon
CEO
